

VOLUNTEERS NEEDED

Join the parent volunteer AR TEAM! Participate and get involved in your school community by volunteering at St. Patrick's School. We are looking for enthusiastic volunteers to help run the AR Program for this upcoming school year!

For as little as 1 hour a week help children with computers completing AR Tests but you don't need to be a coding genius. If you are able to volunteer for this great literacy program at St. Patrick's School E-mail Robin Wong, Librarian at robin.wong@mhcb.ab.ca or call 403-527-1177 for more information or to volunteer.

*Volunteer Hours Run: Monday – Friday from 9:00-10:00am
