# ADMINISTRATIVE PROCEDURE 505 SCHOOL FEES 2024-25 School Fees

Bill 1, An Act to Reduce School Fees has been proclaimed, reducing the burden of school fees on Alberta families. As part of our commitment to keep school fees to a minimum, students will no longer be charged for textbooks, workbooks, photocopying, printing or paper supplies. The remaining fees charged will be to ensure quality programs and services are provided for students. Fee information is available on the parent portal of the website. Any questions or concerns please contact your school directly.
